**Notification of Change in Small Entity Status and Maintenance Fee Payment**

Dear Sir:

The 7.5 year maintenance fee in the amount of \$1,450 was submitted electronically on November 1, 2012; a copy of the Maintenance Fee Statement is attached. However, Patentee is no longer entitled to small entity status and therefore the maintenance fee submitted should have been paid at large entity status. Therefore, the Director of the United States Patent and Trademark Office is authorized to deduct the remaining large entity balance owed of \$1,450 for the fee from Deposit Account No. 50-1065.

Also, Patentee respectfully requests that the records are updated with the Office to reflect the Patentee's current status of large entity.

Respectfully submitted,
